Substitution	After the closing date for entries, a player who has entered may be unable to take part through illness, injury, or other unavoidable cause. That player's place in singles or doubles or both can be taken by a player from any Member as long as that Member does not exceed the quota of players for that specific event.		
	The Member withdrawing the player is given first opportunity to substitute the player and should inform Badminton Europe immediately after the withdrawal. If the Member withdrawing the player doesn't wish to replace the player, all the Members who didn't reach their quota will be offered the spot and can nominate a player within a given deadline.		
	If more than one Member decides to nominate a player, the player with the highest European U17 Ranking (ranking date of the acceptance ranking to be used) in that event shall be selected. If two or more players have the same ranking or no ranking, Badminton Europe shall draw lots to decide which player will be accepted.		
	If more than one player/complete pair withdraws in a particular event after the draw has been made, the position of each substituting player/complete pair shall be decided by drawing lots during the Team Managers' Meeting.		
	In doubles events, if only one player of a pair withdraws after the draw has been made and gets substituted, this new combination keeps their position in the draw.		
	Withdrawals arising after the team managers' meeting until play begins in a particular event will be dealt with as soon as they arise.
